Commercial offer

Dear Sirs!

JSC «Orsha Meat Canning Plant» invite your company for cooperation!

We would like to offer you our meat cans (TM «OMKK»), baby food (TM «Baby Hit», TM «OMKK»), cans for the pets (TM «KISA», TM «DOGGIE») and other meat products.

Our products are high-quality and ecologically clean. All of them conform to requirement of international standards. The high level of production organization is confirmed by the STB ISO 9001-2009 certificate, also STB HACCP certificate in the part of baby food production.

Our company offers flexible conditions for cooperation with individual approach to each partner. The system of discounts depending on volumes of the acquired products is applied. Payment conditions – 100% prepayment. Lead time – 15 to 45 days. Delivery conditions – FCA Orsha. Custom clearance is made by the company.

Products can be shipped automobile and by rail.

JCS «Orsha Meat Canning Plant» is interested in establishing long-terms communications and will be glad if products of our company help you with your business.

Full information about our products you can find in price lists (ref. attachment) and also on our websites: www.omkk.by, www.babyhit.by.

Thank you very much, and we hope to receive your favorably response soon.

Best regards,

JSC «Orsha Meat Canning Plant»
